TERMS AND CONDITIONS T103

EXTENDED DESCRIPTION PREVAILS OVER THE COMMODITY DESCRIPTION

Purpose:

Establish a contract from the items listed for all state agencies. Contract prices are available to all local governmental agencies, schools and municipalities.

Award:

The award shall be made line by individual item to the lowest responsible bidder meeting all specifications.

Default:

When a vendor defaults on a contract/purchase order, the State can procure the goods or services from other sources and hold the vendor responsible for any excess in price/handling. The vendor may be barred from bidding for an indeterminate period.

Vendors:

Vendors may return only the required pages of the RFB, and the price pages they are bidding.

Assignment of contract:

To assign, sublet or transfer any contract resulting from this solicitation, the vendor's written request must be approved by the State Purchasing director.

Delivery:

Items are to be delivered to various locations throughout the 67 counties in Alabama. The exact locations and quantities will be provided by the ordering agency. Delivery response (time) may be an evaluation factor in award of the RFB.

All deliveries must be inside – dock deliveries are not acceptable, unless agreed to by the agency or printing vendor prior to delivery.

Some state buildings may have limited space for trucks to pull into the loading dock, so vendors must make deliveries in a truck which can fit into such space.

Some agencies may have limited hours for deliveries to be accepted. If delivery hours are limited, the agency will state so on the DO. Otherwise, deliveries may be made between 8:00am and 5:00pm.

Administrative fee:

Awarded bidder(s) are to pay the State an administrative fee for all sales made under this contract. This fee will be 1% (0.01) of the total dollar amount for all sales. The fee is to be paid each month before the 20th and will represent a single, one-time payment for all sales made in the prior month and as adjusted for errors associated with earlier months. This fee is not to be listed as a separate cost on invoices. The awarded bidder(s) will be required to provide a summary report each month before the 20th listing sales made during the prior calendar month. This report is to include the report contract number, purchasing entity, sales amount, and fee amount. A report is due even when there is no activity. This report is to be sent electronically to telecom.admin@isd.alabama.gov. A copy of the summary report is to also accompany the payment. The remittance is to be identified with the reporting month and contract number.

Remittance is to be payable to the "State of Alabama Department of Finance" and be sent to:

Alabama Department of Finance
Division of Accounting and Administration
PO Box 300658
Montgomery, Alabama 36130-0658

For internal information only: fee distribution _____% to the State Procurement fund and _____% to the Finance ISD Revolving fund.

Freight:

Bid is F.O.B. destination. Any freight charges must be included in the bid prices.

Contract period:

Establish a 12 month contract with an option to extend for a second, third, fourth, and fifth 12 month period with the same pricing, terms and conditions. The second, third, fourth, or fifth 12 month period, if agreed by both parties, would begin the day after the first, second, third, or fourth 12 month period expires. Any successive extension must

have written approval of both the state and vendor no later than 30 days prior to expiration of the previous 12 month period.

Ordering process:

Purchases for state agencies will be made by contract release (DO) orders showing specific shipping information. Cities, counties, school systems and other political subdivisions will be responsible for issuing their own purchase orders directly to the vendor.

The Statewide T400 Printing & Binding contract vendors will place orders by submitting a copy of the printing DO and a copy of the quote (showing the quote number) with the quantity and type of paper needed.

*Please note that the Statewide T 400 Printing & Binding contract vendor will be responsible for payment of orders placed by them. The State of Alabama will not be responsible for payment of any paper that is not ordered by a state agency.

*The awarded vendor(s) will be required to submit a monthly or quarterly (to be determined by state purchasing) report showing activity, dollar amount and usage from this contract.

*The awarded vendor(s) must maintain and update their vendor subscription fee with the state if this contract is renewed.

*The awarded vendor(s) must participate in the state purchasing's contract annual contract product show (if held) each year.

Non-appropriation of funds:

Continuation of any agreement between the State and a bidder beyond a fiscal year is contingent upon continued legislative appropriation of funds for the purpose of this bid and any resulting agreement. Non-availability of funds at any time shall cause any agreement to become void and unenforceable and no liquidated damages shall accrue to the state as a result. The State will not incur liability beyond the payment of accrued agreement payment.

Proration:

Any provision of a contract resulting from this bid to the contrary notwithstanding, in the event of failure of the State to make payment hereunder as a result of partial unavailability, at the time such payment is due, of such sufficient revenues of the State to make such payment (proration of appropriated funds for the State having been declared by the governor pursuant to Section 41-4-90 of the Code of Alabama 1975), the contractor shall have the option, in addition to the other remedies of the contract, of renegotiating the contract (extending or changing payment terms or amounts) or terminating the contract.

Manufacturer/brand and sheets per carton/envelopes per box/rolls per case:

At the end of each item where spaces are marked "MFR" and "BRAND", "SHEETS PER CARTON" "SHEETS PER CSE, AND/OR "ENVELOPES PER BOX, ROLLS PER CASE", the vendor is to indicate all necessary information to complete each unit as specified or the line item will be rejected. Different Brand/Label from the same manufacturer that meet all specifications for the line can be listed on the line item response.

Failure to fully complete this required information will result in rejection of the line.

The brands and model numbers referenced provide a level of quality, and unless otherwise specified, are not restrictive, except as noted below.

Most lines on this bid do not have restrictions on MFR/BRAND; however, some categories have "X" MFR/BRAND only listed and there will be no other MFR/BRAND accepted for those lines. Most of these lines will, though, also be listed on separate lines without restrictions.

Materials, Supplies or Equipment:

All materials, supplies or equipment being bid and delivered from this contract shall be new, unused, of recent manufacture, first class in every respect, and suitable for their intended purpose.

Unless specified to be Grade 1, all paper and envelopes must be Grade 3 or better.

Any additional information requested from a vendor must be furnished within five (5) business days from receipt of request.

Failure to provide any requested information in a timely manner will result in rejection of any and all lines for which the information was requested.
